

Complete List of all trees available

Thank you for your interest in Majestic Trees. We are pleased to provide you with our current availability of trees. The trees detailed on the list are those we currently have in stock at our nursery. Numbers can and do change daily, so please call to confirm availability of particular stock. The heights and girths reflect actual heights and girths. Please be aware that there are some items that may not be available for planting immediately, if they are rooting out. These trees are indicated with an estimated date under the 'Available from' column. You may purchase them now as many customers do to get the pick of the litter, but we will not deliver until they have rooted out. We do not provide pricing on line but are more than happy to provide a price list upon request or quote for specific stock. We do not have a minimum order value. In order to more efficiently provide you a quote, please have the following information to hand when you contact us:

- a) batch numbers of the trees in which you are interested
- b) if you would like the tree to be delivered, please provide the post code of the delivery address – delivery charges are quoted per order, not per tree
- c) if you would like us to plant the tree(s), please provide pictures and detailed information about the access, including gate and doorway widths, wall heights, sharp corners, number of steps, and overhead obstacles such as guttering, arches, etc. A general overview of the planting area is also helpful.
- d) if you require advice on tree selection, please email photographs of the area to be planted as well as a general overview of the site together with information on soil type if known, what you hope to achieve and any budgetary restrictions. We will then recommend appropriate trees.

Detailed information and advice is available on other areas of the website.

The unusual leaf of *Liriodendron tulipifera* is lovely through three seasons, with a lime green spring colour as above which deepens to jade green, then goes bright butter yellow in autumn.

Acer platanoides 'Crimson King' is renowned for its burgundy summer foliage and vivid autumn colours, but is also surprisingly striking in spring.

The dark angular branches of *Gleditsia triacanthos* 'Sunburst' have an almost oriental character, and create a dramatic effect as the delicate young leaves unfold in spring.

Stock Availability - Complete List

Abies concolor grafted

Evergreen. A very beautiful large tree with smooth grey bark, grooved and scaly on old trees. Leaves up to 5.5cm long, attractive blue-green or grey-green. Cones 8-14cm long.

Batch No.	Shape	Size in cm height girth	Pot Size(L)	Location	Qty Avail	Available From	Leaf Persistence	Size at Maturity
158999	Fth	400-450	600	K03	1		Evergreen	
159853	Fth	500-550	600	K03	1		Evergreen	

Abies koreana

Evergreen. A small, slow growing tree of neat habit. Leaves are dark green above, gleaming white beneath. Produces violet-purple, cylindrical cones.

Batch No.	Shape	Size in cm height girth	Pot Size(L)	Location	Qty Avail	Available From	Leaf Persistence	Size at Maturity
157470	Fth	350-400	400	K05	1		Evergreen	
159856	Fth	350-400	230c	K04	1		Evergreen	

Abies nordmanniana

Evergreen. A stately slow-growing, large to very large tree with tiered branches sweeping downwards. Deep glossy green foliage and distinct reddish-brown winter buds. Produces cones 15-20cm long. Disease-resistant species.

Batch No.	Shape	Size in cm height girth	Pot Size(L)	Location	Qty Avail	Available From	Leaf Persistence	Size at Maturity
158178	Fth	250-300	230c	L01	2		Evergreen

Acer campestre 'Elegant'

Deciduous. Similar to 'Elsrijk' but retains a better egg shaped form. Shows good resistance to pest and disease. Hardy.

Batch No.	Shape	Size in cm height girth	Pot Size(L)	Location	Qty Avail	Available From	Leaf Persistence	Size at Maturity
159399	Std	20-25	120	C03	3		Deciduous	

Acer campestre 'Elsrijk'

Deciduous. Conical habit with very dense and closed crown. Leaves heart shaped, glossy dark green above and paler beneath. Small fragrant flowers. Will grow on all types of fertile soils but prefers chalk.

Batch No.	Shape	Size in cm height girth	Pot Size(L)	Location	Qty Avail	Available From	Leaf Persistence	Size at Maturity
159770	Std	10-12	80	C02	20	Jul-12	Deciduous	
159814	Std	16-18	80	C04	20	Jul-12	Deciduous	

Acer capillipes

Deciduous. Small tree with striking grey-white striped bark. When the trunk grows thicker this feature fades. Young twigs are shiny red. Autumn colour is orange-red to deep red. Does not like windy sites.

Batch No.	Shape	Size in cm height girth	Pot Size(L)	Location	Qty Avail	Available From	Leaf Persistence	Size at Maturity
153389	MS	350-400	600	H44	1		Deciduous	
159400	Std	12-14	80	C04	4		Deciduous	

Acer cappadocicum

Deciduous. A medium-sized to large tree with broad, 5-7 lobed glossy leaves turning rich butter-yellow in autumn.

Batch No.	Shape	Size in cm height girth	Pot Size(L)	Location	Qty Avail	Available From	Leaf Persistence	Size at Maturity
10146	MS	350-400	900	H34	1		Deciduous	
157250	MS	400-450	900	H34	1		Deciduous	

Acer cappadocicum 'Rubrum'

Deciduous. A medium-sized tree with broad, deep purple-red young leaves that turn dark reddish green in summer and a rich butter-yellow in autumn. New growth is blood-red.

Batch No.	Shape	Size in cm height girth	Pot Size(L)	Location	Qty Avail	Available From	Leaf Persistence	Size at Maturity
159812	Std	12-14	80	C04	5	Jul-12	Deciduous

Acer henryi

Deciduous. A small to medium-sized, spreading tree having stems marked with bluish striations; leaves beautifully tinted vibrant red when young. Mid green in summer and brilliant red in autumn. Dainty Yellow flowers in slender,

Batch No.	Shape	Size in cm height girth	Pot Size(L)	Location	Qty Avail	Available From	Leaf Persistence	Size at Maturity
158257	Std	30-35	500	L14	1		Deciduous	

Acer jap. 'Aconitifolium'

A small deciduous tree that can grow up to 6m. Low-branched, with deeply-cut leaves. Dark green leaves in summer, the foliage turns an array of greens, yellows, oranges and reds with the onset of autumn.

Batch No.	Shape	Size in cm height girth	Pot Size(L)	Location	Qty Avail	Available From	Leaf Persistence	Size at Maturity
159044	MS	150-175	200	M02	1		Deciduous	
157777	MS	175-200	200	L29	1		Deciduous	

Acer jap. Vitifolium

The leaves of this vigorous, bushy cultivar are more deeply cut than the species acer, and provide a dramatic splash of autumn colour. Adding a strong architectural presence to any garden, it requires little maintenance

Batch No.	Shape	Size in cm height girth	Pot Size(L)	Location	Qty Avail	Available From	Leaf Persistence	Size at Maturity
159928	Bush	175-200	150	M03	1		Deciduous

159106	MS	350-400	230c	L26	1		Deciduous	

Acer lobelii

Deciduous. It is a medium-sized tree growing to 20-25 m tall with a narrow, erect crown, making it an ideal choice for confined spaces. The bark is greenish-grey, smooth in young trees, becoming browner and shallowly furrowed in

Batch No.	Shape	Size in cm height girth	Pot Size(L)	Location	Qty Avail	Available From	Leaf Persistence	Size at Maturity
156696	Std	20-25	120	C05	3		Deciduous	

Acer negundo 'Aureomarginatum'

Deciduous. A fast-growing, bushy headed, medium to large tree. Young leaves have a broad, irregular yellow margin. Foliage is most effective on plants that are regularly cut back to a short stem.

Batch No.	Shape	Size in cm height girth	Pot Size(L)	Location	Qty Avail	Available From	Leaf Persistence	Size at Maturity
158671	MS	350-400	350	B20	1		Deciduous	

Acer negundo 'Variegatum'

A fast growing medium sized tree that is tolerant of difficult sites, growing successfully in wet or dry soil and in semi-shade. Broad green leaves with white margin. Remove any reverting shoots.

Batch No.	Shape	Size in cm height girth	Pot Size(L)	Location	Qty Avail	Available From	Leaf Persistence	Size at Maturity
158670	MS	350-400	350	B22	1		Deciduous	

Acer palmatum

Deciduous. Small tree with a low, rounded head. Gorgeous purple-red, orange or yellow autumnal colours. Best in a moist but well-drained loam, sheltered from cold winds. Will tolerate chalk.

Batch No.	Shape	Size in cm height girth	Pot Size(L)	Location	Qty Avail	Available From	Leaf Persistence	Size at Maturity
158703	Bush	125-150	80	L02	17		Deciduous
