

Multi-stemmed and Feathered Trees

majestic
t r e e s

A tree that has multiple trunks originating near the ground is broadly classed as a multi-stem tree. However, a true multi-stem tree has one trunk that has been trained when young to produce multiple trunks near ground level. The grower cuts the trunk above a node near ground level and when multiple buds appear, at least three are grown on to develop into a lovely multi-trunked tree. Some so-called 'multi-stemmed' trees are actually two or more trees planted together when young. These are sometimes signified by number of plants per pot (ppp).

A feathered tree has a single trunk and branches from the base to the top similar in appearance to the feather for which it is named. These trees provide coverage from ground level upwards.

Spring leaf of Purple Beech is vibrant against a blue sky.

Magnolia soulangeana's multi-stem habit has become a garden classic.

The multi-stem form of *Acer griseum* allows its characteristic peeling bark to be shown to best effect.

Cercis Canadensis 'Forest Pansy' is beautiful in a multi-stem form, where its rich purple heart-shaped leaves can be viewed at eye level.

Thank you for your interest in Majestic Trees. We are pleased to provide you with our current availability of trees. The trees detailed on the list are those we currently have in stock at our nursery. Numbers can and do change daily, so please call to confirm availability of particular stock. The heights and girths reflect actual heights and girths. Please be aware that there are some items that may not be available for planting immediately, if they are rooting out. These trees are indicated with an estimated date under the 'Available from' column. You may purchase them now as many customers do to get the pick of the litter, but we will not deliver until they have rooted out. We do not provide pricing on line but are more than happy to provide a price list upon request or quote for specific stock. We do not have a minimum order value. In order to more efficiently provide you a quote, please have the following information to hand when you contact us:

- a) batch numbers of the trees in which you are interested
- b) if you would like the tree to be delivered, please provide the post code of the delivery address – delivery charges are quoted per order, not per tree
- c) if you would like us to plant the tree(s), please provide pictures and detailed information about the access, including gate and doorway widths, wall heights, sharp corners, number of steps, and overhead obstacles such as guttering, arches, etc. A general overview of the planting area is also helpful.
- d) if you require advice on tree selection, please email photographs of the area to be planted as well as a general overview of the site together with information on soil type if known, what you hope to achieve and any budgetary restrictions. We will then recommend appropriate trees.

Detailed information and advice is available on other areas of the website.

Stock Availability - Multi-stem & Feathered

Abies concolor grafted

Evergreen. A very beautiful large tree with smooth grey bark, grooved and scaly on old trees. Leaves up to 5.5cm long, attractive blue-green or grey-green. Cones 8-14cm long.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|------------------|
| 158999 | Fth | 400-450 | 600 | K03 | 1 | | Evergreen | Large (12-20m) |
| 159853 | Fth | 500-550 | 600 | K03 | 1 | | Evergreen | Large (12-20m) |

Abies koreana

Evergreen. A small, slow growing tree of neat habit. Leaves are dark green above, gleaming white beneath. Produces violet-purple, cylindrical cones.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|------------------|
| 157470 | Fth | 350-400 | 400 | K05 | 1 | | Evergreen | Medium (6-12m) |
| 159856 | Fth | 350-400 | 230c | K04 | 1 | | Evergreen | Medium (6-12m) |

Abies nordmanniana

Evergreen. A stately slow-growing, large to very large tree with tiered branches sweeping downwards. Deep glossy green foliage and distinct reddish-brown winter buds. Produces cones 15-20cm long. Disease-resistant species.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|--------------------|
| 158178 | Fth | 250-300 | 230c | L01 | 2 | | Evergreen | Very Large (20m +) |
| 159878 | Fth | 250-300 | 120 | K20 | 12 | | Evergreen | Very Large (20m +) |
| 159880 | Fth | 300-350 | 160c | K22 | 1 | | Evergreen | Very Large (20m +) |
| 157875 | Fth | 600-700 | 1500 | K06 | 1 | | Evergreen | Very Large (20m +) |

Abies procera 'Glauca'

Evergreen. A medium-sized to large narrowly conical conifer with short, bright blue-grey needles. Needs well drained, fertile soil.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|------------------|
| 157780 | Fth | 150-175 | 160c | K15 | 1 | | Evergreen | Large (12-20m) |
| 159871 | Fth | 200-250 | 150c | K15 | 1 | | Evergreen | Large (12-20m) |
| 157702 | Fth | 300-350 | 120 | K16 | 1 | | Evergreen | Large (12-20m) |

Acer capillipes

Deciduous. Small tree with striking grey-white striped bark. When the trunk grows thicker this feature fades. Young twigs are shiny red. Autumn colour is orange-red to deep red. Does not like windy sites.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|------------------|
| 153389 | MS | 350-400 | 600 | H44 | 1 | | Deciduous | Medium (6-12m) |

Acer cappadocicum

Deciduous. A medium-sized to large tree with broad, 5-7 lobed glossy leaves turning rich butter-yellow in autumn.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|------------------|
| 10146 | MS | 350-400 | 900 | H34 | 1 | | Deciduous | Large (12-20m) |
| 157250 | MS | 400-450 | 900 | H34 | 1 | | Deciduous | Large (12-20m) |

Acer griseum

Deciduous. One of the most beautiful of all small trees. Leaves trifoliolate, often gorgeously coloured red and scarlet in autumn. Old bark on trunk and primary branches flakes and curls.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|------------------|
| 155375 | MS | 250-300 | 200 | M05 | 1 | | Deciduous | Medium (6-12m) |
| 157253 | MS | 300-350 | 250 | M06 | 2 | | Deciduous | Medium (6-12m) |
| 154576 | MS | 350-400 | 600 | M05 | 1 | | Deciduous | Medium (6-12m) |
| 157254 | MS | 400-450 | 300 | M06 | 2 | | Deciduous | Medium (6-12m) |

Acer jap. 'Aconitifolium'

A small deciduous tree that can grow up to 6m. Low-branched, with deeply-cut leaves. Dark green leaves in summer, the foliage turns an array of greens, yellows, oranges and reds with the onset of autumn.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|------------------|
| 159044 | MS | 150-175 | 200 | M02 | 1 | | Deciduous | Small (up to 6m) |
| 157777 | MS | 175-200 | 200 | L29 | 1 | | Deciduous | Small (up to 6m) |

Acer jap. Vitifolium

The leaves of this vigorous, bushy cultivar are more deeply cut than the species acer, and provide a dramatic splash of autumn colour. Adding a strong architectural presence to any garden, it requires little maintenance

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|------------------|
| 159106 | MS | 350-400 | 230c | L26 | 1 | | Deciduous | Small (up to 6m) |

Acer negundo 'Aureomarginatum'

Deciduous. A fast-growing, bushy headed, medium to large tree. Young leaves have a broad, irregular yellow margin. Foliage is most effective on plants that are regularly cut back to a short stem.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|------------------|
| 158671 | MS | 350-400 | 350 | B20 | 1 | | Deciduous | Medium (6-12m) |

Acer negundo 'Variegatum'

A fast growing medium sized tree that is tolerant of difficult sites, growing successfully in wet or dry soil and in semi-shade. Broad green leaves with white margin. Remove any reverting shoots.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|------------------|
| 158670 | MS | 350-400 | 350 | B22 | 1 | | Deciduous | Medium (6-12m) |

Acer palmatum

Deciduous. Small tree with a low, rounded head. Gorgeous purple-red, orange or yellow autumnal colours. Best in a moist but well-drained loam, sheltered from cold winds. Will tolerate chalk.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|------------------|
| 154552 | MS | 350-400 | 1500 | S | 1 | | Deciduous | Medium (6-12m) |

Acer palmatum 'Osakazuki'

Deciduous. Very large leaves and is a hardy, sturdy grower. 7-lobed leaves rich green in Spring and Summer. Intense crimson colour in Autumn. Does not exceed 6-7 meters.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|------------------|
| 159030 | MS | 200-225 | 120 | L07 | 1 | | Deciduous | Small (up to 6m) |

Acer palm. Dissectum 'Garnet'

Deciduous. Outstanding colour and vigour. Leaf is rich red-orange. Pendulous, spreading habit and as it matures forms a beautiful, cascading mound-shaped specimen. Hardy.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|------------------|
| 159879 | Fth | 100x250 | 200 | L08 | 1 | | Deciduous | Small (up to 6m) |
| 159024 | Fth | 175-200 | 200 | L08 | 2 | | Deciduous | Small (up to 6m) |

Acer plat. 'Crimson King'

Deciduous. A vigorous spreading tree with dark purple-red leaves turning red in autumn. Bears small yellow red tinged flowers. Hardy.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|------------------|
| 159907 | MS | 350-400 | | B End | 3 | Jul-12 | Deciduous | Large (12-20m) |

Acer rubrum

Deciduous. Medium multistem, broadly columnar in habit. Dark green leaves, turning brilliant scarlet in Autumn. Grows on most soils but rarely colours on chalk or dry soils.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|------------------|
| 159889 | MS | 300-350 | 150 | L14 | 3 | | Deciduous | Large (12-20m) |
| 157709 | MS | 450-500 | 300 | B13 | 3 | | Deciduous | Large (12-20m) |
| 153417 | MS | 700-800 | 1600 | L08 | 1 | | Deciduous | Large (12-20m) |

Acer rubrum

Deciduous. Medium multistem, broadly columnar in habit. Dark green leaves, turning brilliant scarlet in Autumn. Grows on most soils but rarely colours on chalk or dry soils.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|------------------|
| 153365 | Fth | 800-900 45-50 | 600 | L16 | 2 | | Deciduous | Large (12-20m) |

Acer tataricum ginnala

Deciduous. Dense, low branched multi-stemmed tree. 3-lobed leaves. Winged fruit turn bright red in late summer. Transplants well. Tolerates sun or partial shade.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|------------------|
| 6000 | MS | 200-300 | 200 | L15 | 2 | | Deciduous | Small (up to 6m) |

Acer triflorum

Deciduous. A very rare, slow-growing small tree with characteristic pale grey-brown, flaking bark. Leaves trifoliolate, glaucous beneath. One of the best small trees for the brilliance of its autumn colour.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|------------------|
| 159933 | Fth | 300-350 | 400 | M05 | 4 | | Deciduous | Medium (6-12m) |

Aesculus carnea 'Briotii'

Deciduous. A medium size, dense, low branched multi-stemmed tree. 3-lobed leaves. Winged fruit turn bright red in late summer. Transplants well. Tolerates sun or partial shade. Has a good resistance to bleeding canker though there is no warranty against it. Resistable to leaf miner.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|------------------|
| 158652 | MS | 450-500 | 700 | P12 | 1 | | Deciduous | Large (12-20m) |

Aesculus parviflora

Deciduous. A spreading shrub, 2.5m or more high, flowering in July and August. Flowers are white with long red anthers, 20-30cm long. Leaves bronze when young and attractively coloured yellow in autumn.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|------------------|
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|------------------|

| | | | | | | | |
|--------|----|---------|-----|-----|---|-----------|------------------|
| 156376 | MS | 200-225 | 500 | P12 | 1 | Deciduous | Small (up to 6m) |
| 10192 | MS | 300-350 | 900 | P13 | 1 | Deciduous | Small (up to 6m) |

Alnus glutinosa

Deciduous. Rapid growing, conical tree. Pendent yellow-brown male catkins open before the leaves. Flowers from January to March. Hardy. 5-6m tall at 10 years.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|------------------|
| 154274 | MS | 500-600 | 1200 | Q23 | 1 | | Deciduous | Large (12-20m) |

Amelanchier lamarckii

Deciduous. Upright-stemmed shrub with mid-green leaves. Racemes of white flowers followed by edible purple-black fruit. Flowers from April to May. Orange-Red leaves in autumn. Deciduous. Hardy.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|------------------|
| 156634 | MS | 200-225 | 30 | M | 2 | | Deciduous | Medium (6-12m) |
| 159285 | MS | 200-250 | 200 | P01 | 1 | | Deciduous | Medium (6-12m) |
| 157760 | MS | 200-250 | 200 | P01 | 1 | | Deciduous | Medium (6-12m) |
| 160024 | MS | 200-250 | | Q03 | 25 | Aug-12 | Deciduous | Medium (6-12m) |
| 156207 | MS | 250-300 | 300 | P01 | 1 | | Deciduous | Medium (6-12m) |
| 159984 | MS | 400-500 | 250 | F End | 1 | | Deciduous | Medium (6-12m) |

Araucaria araucana

Evergreen. A medium-sized to large tree of unique appearance with long, spidery branches and densely overlapping, rigid, spine-tipped, dark green leaves. Grows best in moist, loamy soil. Cones globular, 11-18cm long.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|--------------------|
| 159992 | Fth | 450-500 | 600 | L01 | 1 | | Evergreen | Very Large (20m +) |

Betula albosinensis

Deciduous. Beautiful, medium-sized species with glossy green leaves on slightly rough shoots. The attractive, peeling bark is pinkish to coppery-red, cream when first exposed.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|------------------|
| 159108 | MS | 400-450 | 150 | D06 | 6 | | Deciduous | Medium (6-12m) |

Betula ermanii 'Holland'

Deciduous. An improved clone with very good winter hardiness. Becomes more oval in shape when older and gets to a height of 10-15 m. Shallow rooting with many fibrous roots.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|------------------|
| 158593 | Fth | 12-14 | 80 | B43 | 9 | | Deciduous | Large (12-20m) |

Betula nigra

Deciduous. Red-brown bark becoming black or grey-white on old trees. Sun to partial shade, moist, well-drained soil. Modest yellow autumn colour.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|------------------|
| 159318 | Fth | 600-700 20-25 | 700 | D09 | 1 | | Deciduous | Large (12-20m) |
| 159319 | MS | 450-500 | 600 | D08 | 1 | | Deciduous | Large (12-20m) |
| 158629 | MS | 450-500 | 700 | D04 | 3 | | Deciduous | Large (12-20m) |
| 158644 | MS | 500-600 | 1600 | D03 | 1 | | Deciduous | Large (12-20m) |

Betula pendula

Deciduous. Native, graceful tree. Diamond shaped leaves turning yellow in autumn. Attractive white bark usually develops with age. Hardy and thrives in most soils but susceptible to drought. 3-4m tall at 10 years.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|------------------|
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|------------------|

| | | | | | | | |
|--------|----|---------|------|-----|---|-----------|--------------------|
| 159839 | MS | 600-700 | 300 | D09 | 1 | Deciduous | Very Large (20m +) |
| 158989 | MS | 600-700 | 2300 | D01 | 2 | Deciduous | Very Large (20m +) |
| 158988 | MS | 600-700 | 700 | D08 | 5 | Deciduous | Very Large (20m +) |
| 157214 | MS | 800-900 | 2000 | B59 | 1 | Deciduous | Very Large (20m +) |
| 159873 | MS | 800-900 | 2000 | B59 | 4 | Deciduous | Very Large (20m +) |

Betula utilis

Deciduous. Conical tree with peeling bark. Dark green leaves turn yellow in autumn. Yellow-brown catkins in spring. 3-4m tall at 10 years. Hardy. Prefers moist, well-drained soil.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|------------------|
| 157217 | Fth | 500-600 30-35 | 400 | D09 | 1 | | Deciduous | Large (12-20m) |
| 159842 | MS | 350-400 | 150 | D05 | 12 | | Deciduous | Large (12-20m) |
| 158877 | MS | 350-400 | 200 | D03 | 1 | | Deciduous | Large (12-20m) |
| 159840 | MS | 400-500 | 300 | D03 | 5 | | Deciduous | Large (12-20m) |
| 156391 | MS | 450-500 | 300 | D03 | 3 | | Deciduous | Large (12-20m) |
| 160004 | MS | 450-500 | 400 | D09 | 1 | | Deciduous | Large (12-20m) |
| 156919 | MS | 500-600 | 400 | D03 | 2 | | Deciduous | Large (12-20m) |

Betula utilis var. jacquemontii

Deciduous. Conical tree with peeling, white bark. Dark green leaves turn yellow in autumn. Yellow-brown catkins in spring. 3-4m tall at 10 years. Hardy. Prefers moist, well-drained soil.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|------------------|
| 159845 | Fth | 500-600 20-25 | 350 | D09 | 2 | | Deciduous | Large (12-20m) |
| 159841 | MS | 400-500 | 150 | D04 | 14 | | Deciduous | Large (12-20m) |
| 159807 | MS | 550-650 | 400 | D01 | 5 | Aug-12 | Deciduous | Large (12-20m) |
| 159843 | MS | 600-700 | 300 | D06 | 1 | | Deciduous | Large (12-20m) |
| 154271 | MS | 800-900 | 2000 | S | 1 | | Deciduous | Large (12-20m) |

Callicarpa bodinieri giraldii

Deciduous, grown for their violet bead-like berries. Will grow to approx 2m. The young foliage is bronze-purple. Prefers a fertile, well drained soil in a sunny or light shade position.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|------------------|
| 153388 | MS | 175-200 | 200 | J03 | 1 | | Deciduous | Small (up to 6m) |

Calocedrus decurrens

Slow-growing, evergreen tree becoming a rounded columnar shape. Cones are small and inconspicuous. Does best on well-drained, slightly acidic sandy loams. Can live 1000 years or more. 45m tall

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|------------------|
| 157775 | Fth | 300-350 | 250 | N67 | 7 | | Evergreen | Large (12-20m) |
| 157638 | Fth | 300-350 | 250 | N67 | 3 | | Evergreen | Large (12-20m) |
| 157565 | Fth | 400-450 | 900 | N66 | 10 | | Evergreen | Large (12-20m) |

Camellia japonica 'Double Pink'

Evergreen. A large shrub with characteristically polished leaves. Large double pink flowers produced from February to early May. Intolerant of chalk soils. Light overhead shade is ideal. Protect from frost.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|------------------|
| 159733 | Fth | | | A04 | 1 | | Evergreen | Small (up to 6m) |

Camellia japonica 'Dr Burnside'

'Dr. Burnside' produces flowers in semi-double or peony-form, in a fiery scarlet. Slow growing, upright to spreading shrub or small tree with age. Oval, glossy, leaves and profuse winter to spring blooming flowers in milder climates.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |

| 160002 | Fth | 900-1000 | 2800 | L26 | 2 | Oct-12 | Evergreen | Very Large (20m +) |

Cedrus deodara 'Aurea'

Evergreen. Beautiful large tree with spreading branches, pendant at the tips. Needle-like foliage, golden yellow in spring, becoming greenish-yellow later in the year. 10' in 10 years.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|------------------|
| 159857 | Fth | 450-500 | 200 | K04 | 3 | | Evergreen | Large (12-20m) |
| 159009 | Fth | 700-800 | 800 | K07 | 2 | | Evergreen | Large (12-20m) |

Cedrus deodara 'Blue Triumph'

Evergreen. A large ornamental conifer with spreading branches which droop gracefully at the tips. The blue-grey foliage provides a frothy, soft texture. 10' in 10 years.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|----------------|--------------|--|------------------------|-----------------|----------------------|---------------------------|-----------------------------|-------------------------|
| 157266 | Fth | 450-500 | 300 | K08 | 2 | | Evergreen | Large (12-20m) |

Cedrus deodara hybrid

Evergreen. This tree is a cross between the soft textured Deodar Cedar and the huge, stately Atlas Cedar to produce a very large tree with dark green foliage. Barrel-shaped cones, green at first ripening brown. 10' in 10 years.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|----------------|--------------|--|------------------------|-----------------|----------------------|---------------------------|-----------------------------|-------------------------|
| 159896 | Fth | 000-1100 | 3800 | L27 | 1 | | Evergreen | Large (12-20m) |

Cedrus libani

Evergreen. A large, wide-spreading conifer with a distinctive flat-topped, tiered silhouette in maturity (though conical when young). Foliage is green or greyish-green. Cones 8-10cm.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|----------------|--------------|--|------------------------|-----------------|----------------------|---------------------------|-----------------------------|-------------------------|

Cercidiphyllum japonicum

Deciduous. Small to medium-sized tree with leaves similar to the Judas Tree. Pale yellow or smoky-pink autumnal colouring, at the same time producing a sweetly pungent scent, like burnt sugar. Hardy.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|----------------|--------------|--|------------------------|-----------------|----------------------|---------------------------|-----------------------------|-------------------------|
| 157454 | MS | 400-450 | 400 | B45 | 3 | | Deciduous | Medium (6-12m) |

Cercis siliquastrum

Deciduous. A curious native tree with upwardly wavy branches, producing rosy-lilac flowers on bare stems in May, and offering pretty kidney-shaped blue-green foliage in summer. Turns yellow in autumn. The purple-tinted seed pods are often conspicuous from July onwards.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|----------------|--------------|--|------------------------|-----------------|----------------------|---------------------------|-----------------------------|-------------------------|
| 150875 | MS | 125-150 | 80 | M03 | 1 | | Deciduous | Small (up to 6m) |

Chamaecyparis pisifera 'Boulevard'

Chamaecyparis pisifera 'Boulevard' is an outstanding cultivar that has become one of the most popular conifers around. It has silvery-blue foliage that becomes especially intense during the summer months but remains attractive all year

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|----------------|--------------|--|------------------------|-----------------|----------------------|---------------------------|-----------------------------|-------------------------|
| 158912 | Fth | 250-300 | 800 | J12 | 1 | | Evergreen | Small (up to 6m) |

Cornus controversa

Deciduous. Picturesque, horizontal branches. Creamy white flowers in May-June. Dark purple fruit. Requires sun and moist, well-drained soil.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|----------------|--------------|--|------------------------|-----------------|----------------------|---------------------------|-----------------------------|-------------------------|
| 150075 | MS | 150-200 | 80 | H58 | 1 | | Deciduous | Large (12-20m) |

Cornus controversa variegata

Deciduous. A very ornamental, small shrub or tree, retaining its horizontal branching. Slow-growing with striking silver-margined leaves. Small white summer flowers, followed by blue-black fruit.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|------------------|
| 158167 | MS | 175-200 | 150 | H13 | 1 | | Deciduous | Large (12-20m) |
| 159195 | MS | 200-250 | 130c | J04 | 4 | | Deciduous | Large (12-20m) |

Cornus kousa

Deciduous. Numerous flowers with conspicuous white bracts. Fruits strawberry-like. Rich bronze and crimson autumn colour. Not for poor, shallow, chalk soils.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|------------------|
| 159036 | MS | 300-350 | 110c | H58 | 1 | | Deciduous | Small (up to 6m) |

Cornus kousa 'Milky Way'

Deciduous. Medium sized shrub notable for its rich red fruits and purple winter shoots.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|------------------|
| 159037 | MS | 350-400 | 300 | H58 | 1 | | Deciduous | Small (up to 6m) |

Cupressocypris ley. Castlewellan

Evergreen. Slower-growing than regular leylandii and suitable for hedging. Young foliage golden-yellow. Bushy and full. Vigorous columnar conifer growing about 0.5 metres a year. Skin irritant

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|--------------------|
| 158453 | Fth | 300-350 | 35c | A07 | 1 | | Evergreen | Very Large (20m +) |
| 159712 | Fth | 300-350 | 80c | N58 | 8 | | Evergreen | Very Large (20m +) |
| 159923 | Fth | 450-500 | 200c | M01 | 7 | | Evergreen | Very Large (20m +) |

Cupressocypris leylandii

Evergreen. A large noble tree of dense, columnar habit, extremely vigorous in growth. Very hardy. Makes excellent screening or hedge. Can be kept under control if trimmed regularly. Skin irritant.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|--------------------|

| 160019 | Fth | 25-30 | 300 | Q15 | 3 | | Deciduous | Very Large (20m +) |

Fagus sylvatica 'Atropurpurea' Hedging

Deciduous. Copper beech instant hedging, for best colour grow in full sun. Grows in a wide range of well drained soils including chalk, excluding heavy clay. Prune in the winter and trim in mid-summer if needed.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|----------------|--------------|--|------------------------|-----------------|----------------------|---------------------------|-----------------------------|-------------------------|
| 157508 | Fth | 200 | 50 | N14 | 72 | | Deciduous | Small (up to 6m) |
| 157527 | Fth | 200-250 | 35 | N06 | 83 | | Deciduous | Small (up to 6m) |

Fagus sylvatica 'Dawyck'

Deciduous. Tree of erect, pyramidal habit. Quite narrow as a young tree but broadening with age. Foliage colour green. Suits well-drained soil, including chalk, but avoid heavy clay.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|----------------|--------------|--|------------------------|-----------------|----------------------|---------------------------|-----------------------------|-------------------------|
| 157198 | Fth | 500-600 | 400 | Q15 | 1 | | Deciduous | Very Large (20m +) |
| 157197 | Fth | 500-600 | 200 | Q14 | 2 | | Deciduous | Very Large (20m +) |
| 154172 | Fth | 600-700 | 1200 | Q01 | 1 | | Deciduous | Very Large (20m +) |

Fagus sylvatica 'Purpurea'

Deciduous. A large tree with dark purple leaves. For best colour grow in full sun. Avoid heavy clay and waterlogged soils. Tolerates chalk. Prune late winter early spring if needed.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|----------------|--------------|--|------------------------|-----------------|----------------------|---------------------------|-----------------------------|-------------------------|
| 152759 | Fth | 300-350 | 300 | Q26 | 1 | | Deciduous | Large (12-20m) |
| 157199 | Fth | 400-450 | 400 | P20 | 1 | | Deciduous | Large (12-20m) |

Fagus sylvatica 'Purpurea' pendula

Deciduous. A superb, small, weeping tree with dark leaves. Usually top-worked to make a small mushroom-headed specimen. Grow in full sun for best foliage colour.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|----------------|--------------|--|------------------------|-----------------|----------------------|---------------------------|-----------------------------|-------------------------|
| 160017 | Fth | 600-700 | 600 | Q12 | 1 | | Deciduous | Small (up to 6m) |

Fagus sylvatica

Majestic, large native tree. Any well-drained soil except heavy clay. Rich orange-gold autumn foliage. Retains brown autumn foliage until spring.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|----------------|--------------|--|------------------------|-----------------|----------------------|---------------------------|-----------------------------|-------------------------|

Fagus sylvatica 'Dawyck Purple'

Deciduous. Narrow and upright with deep purple foliage. For best colour grow in full sun. Tolerant of a wide range of well drained soils including chalk, but excluding heavy clay. Prune in late winter early spring if needed.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|--------------------|
| 154061 | Fth | 500-600 30-35 | 500 | Q10 | 1 | | Deciduous | Very Large (20m +) |

Fagus sylvatica Hedging

Modularly grown stock designed to be planted immediately adjacent to one another to create an instantaneous hedge. Green leaves in summer, retains some leaves through winter. Classic, native choice.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|------------------|
| 157855 | Fth | 200-225 | 35 | N12 | 10 | | Deciduous | Small (up to 6m) |
| 157507 | Fth | 200-250 | 100 | N12 | 16 | | Deciduous | Small (up to 6m) |
| 159133 | Fth | 200-250 | 35 | N05 | 87 | | Deciduous | Small (up to 6m) |

Fagus sylvatica 'Pendula'

Deciduous. A superb, small weeping tree with dark leaves. Dome headed. Grows well in sun or shade and in any well drained soil except clay.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|------------------|
| 153393 | Fth | 500-600 35-40 | 1000 | P17 | 2 | | Deciduous | Large (12-20m) |

Fagus sylvatica 'Rohanii'

Deciduous. A brownish-purple selection with incised leaves that fade to dark green in the summer. 40-60' tall at maturity.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|----------------|--------------|--|------------------------|-----------------|----------------------|---------------------------|-----------------------------|-------------------------|
| 154022 | Fth | 500-600 | 1000 | P22 | 1 | | Deciduous | Large (12-20m) |
| 153392 | Fth | 500-600 | 1200 | P14 | 1 | | Deciduous | Large (12-20m) |

Fagus sylvatica 'Rotundifolia'

Deciduous. A grand, sculptural specimen tree with branches to the ground, the European beech has extremely muscular, smooth gray bark, exposed roots, and glossy leaves. 'Rotundifolia' has small, closely set dark-green leaves and a dense oval to rounded habit.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|----------------|--------------|--|------------------------|-----------------|----------------------|---------------------------|-----------------------------|-------------------------|
| 156229 | Fth | 500-600 25-30 | 300 | Q13 | 3 | | Deciduous | Large (12-20m) |

Ginkgo biloba

Deciduous. Slow growing. Pyramidal form. 10' tall in 10 years. Picturesque with emerald green fan-shaped leaves which turn golden yellow starting in November. Long lived and hardy.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|----------------|--------------|--|------------------------|-----------------|----------------------|---------------------------|-----------------------------|-------------------------|
| 159130 | Fth | 250-300 | 250 | H11 | 4 | | Deciduous | Large (12-20m) |

Gleditsia triac. 'Sunburst'

Deciduous. Finely divided leaves emerge bright yellow becoming dark green. Stems are usually spiny. Insignificant flowers are followed by seeds only after hot summers.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|----------------|--------------|--|------------------------|-----------------|----------------------|---------------------------|-----------------------------|-------------------------|
| 10195 | Fth | 400-450 30-35 | 500 | H43 | 1 | | Deciduous | Medium (6-12m) |

Ilex alta. Camelliifolia - Hedging

Evergreen. A beautiful, large-fruited clone. The long, large, mainly spineless leaves are dark green, reddish-purple when young. Scarlet fruit. Makes excellent hedge, trim in summer. Female.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|----------------|--------------|--|------------------------|-----------------|----------------------|---------------------------|-----------------------------|-------------------------|
| 157574 | Fth | 200-250 | 120 | N34 | 19 | | Evergreen | Medium (6-12m) |

Ilex aq. 'Alaska' - Hedging

Evergreen. A very dense, upright plant with narrow, spiny or entire leaves. which makes an excellent hedge. Female with bright red fruits. Trim in summer.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|----------------|--------------|--|------------------------|-----------------|----------------------|---------------------------|-----------------------------|-------------------------|
| 157578 | Fth | 100-125 | 35 | N33 | 17 | | Evergreen | Small (up to 6m) |
| 157577 | Fth | 175-225 | 120 | N34 | 6 | | Evergreen | Small (up to 6m) |

Ilex aq. 'J.C. van Tol'

Evergreen. A superb cultivar with dark, shining, almost spineless, green leaves. Produces large, regular crop of red fruits. Self-pollinating.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|----------------|--------------|--|------------------------|-----------------|----------------------|---------------------------|-----------------------------|-------------------------|
| 157712 | Fth | 175-200 | 120 | N36 | 6 | | Evergreen | Small (up to 6m) |

Ilex aq. 'J.C. van Tol' - Hedging

Evergreen. A superb slow growing cultivar with dark, shining, almost spineless, green leaves. Produces large, regular crop of red fruits. Self-pollinating. Easy maintenance, trim in summer.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|----------------|--------------|--|------------------------|-----------------|----------------------|---------------------------|-----------------------------|-------------------------|
| 157576 | Fth | 175-200 | 200 | N36 | 15 | | Evergreen | Small (up to 6m) |

Ilex aquifolium - Hedging

Evergreen. Beautiful and useful evergreen for the British climate. Ideal for hedging. Good in both industrial and coastal areas. Dark green leaves. Slow growing. Female forms produce red fruit.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|------------------|
| 158931 | Fth | 100-125 | 35 | N01 | 1 | | Evergreen | Small (up to 6m) |
| 157878 | Fth | 125-150 | 35 | N33 | 4 | | Evergreen | Small (up to 6m) |

Ilex 'Nellie R. Stevens'

Evergreen. An ornamental, small tree with green shoots. Leaves are spine-tipped with usually 2 spines on each side. Female, self-pollinating, bearing profuse and long-persistent, orange-red fruits.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|------------------|
| 159116 | Fth | 150-175 | 80 | N35 | 45 | | Evergreen | Small (up to 6m) |
| 159976 | Fth | 250-300 | 100 | J11 | 3 | | Evergreen | Small (up to 6m) |
| 157860 | Fth | 350-400 | 450c | A04 | 1 | | Evergreen | Small (up to 6m) |

Liquidambar styraciflua

Deciduous. A beautiful tree with maple-like leaves. The corky bark is attractive but its main glory is in autumn when the leaves turn red, purple and gold. Best in lime-free soil. 6m tall in 10 years. If a smaller tree's leader is caned it must remain in the tree for 2-3 years.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|--------------------|
| 159783 | Fth | 20-25 | | H37 | 5 | Aug-12 | Deciduous | Very Large (20m +) |
| 159784 | Fth | 25-30 | | H37 | 5 | Aug-12 | Deciduous | Very Large (20m +) |
| 159099 | Fth | 700-800 45-50 | 1000 | L32 | 1 | | Deciduous | Very Large (20m +) |

| 159903 | MS | 600-700 | 1000 | L32 | 1 | | Deciduous | Very Large (20m +) |
| 159039 | MS | 700-800 | 800 | L32 | 1 | | Deciduous | Very Large (20m +) |

Liriodendron tulipifera

Deciduous. A stately tree with uniquely shaped leaves four-lobed with a flattened tip, turning gold in autumn. Tulip-shaped flowers appear in June but are not produced on younger trees. Any soil except chalk.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|--------------------|
| 157453 | MS | 600-700 | 1100 | L06 | 1 | | Deciduous | Very Large (20m +) |

Magnolia grand. 'Galissoniere'

Evergreen. This is a particularly hardy form, conical habit, with very large, fragrant flowers and leaves that are reddish-brown beneath. Lime-tolerant if given a good depth of rich loam.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|------------------|
| 157679 | Fth | 175-200 | 90c | K24 | 4 | | Evergreen | Large (12-20m) |
| 159385 | Fth | 400-450 | 350c | L01 | 3 | | Evergreen | Large (12-20m) |
| 159239 | Fth | 400-450 | 380c | K24 | 2 | | Evergreen | Large (12-20m) |
| 151025 | Fth | 800-900 | 4000 | K23 | 1 | | Evergreen | Large (12-20m) |

Magnolia loebneri 'Merrill'

Deciduous. An excellent, small magnolia whose star-shaped white flowers appear from an early age. Succeeds well on most soils, including chalk. Spreads with age.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|------------------|
| 154204 | MS | 300-400 | 400 | R03 | 1 | | Deciduous | Small (up to 6m) |
| 153368 | MS | 300-400 | 400 | R03 | 1 | | Deciduous | Small (up to 6m) |
| 149989 | MS | 600-700 | 2500 | L01 | 1 | | Deciduous | Small (up to 6m) |

Magnolia stellata

Deciduous. A distinct and charming slow-growing Japanese shrub forming a compact rounded specimen usually wider than high. Seldom exceeds 3m. Produces white fragrant flowers in March and April.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|------------------|
| 158689 | MS | 200 | 400 | R03 | 2 | | Deciduous | Small (up to 6m) |

Magnolia 'Susan'

Deciduous. A medium-sized shrub of upright habit. Flowers deep red-purple in bud, red-purple when open, paler within with up to 6 tepals. Requires an acid soil.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|------------------|
| 153901 | MS | 250-300 | 250 | R03 | 1 | | Deciduous | Small (up to 6m) |
| 153889 | MS | 300-350 | 200 | R03 | 1 | | Deciduous | Small (up to 6m) |

Malus d. ballerina 'Bolero'

Deciduous. Naturally grows in a columnar form. Side branches are not normally produced and the fruit is borne on the main stem. Medium, round conical fruit with smooth green skin turning yellow where exposed to the sun. Crisp and juicy, flavour similar to James Grieve. Pollination group A.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|------------------|
| 155555 | Fth | 250-300 | 120 | H48 | 2 | | Deciduous | Small (up to 6m) |

Malus d. ballerina 'Maypole'

Deciduous.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|------------------|
| 159941 | Fth | 200-250 | 120 | H52 | 1 | | Deciduous | Small (up to 6m) |

Malus 'John Downie'

Deciduous. Small to medium upright tree. Deep green foliage. White flowers in spring. Large orange-red refreshing fruits. Self-fertile. Good pollinator for fruiting apple trees.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|------------------|
| 159061 | MS | 300-350 | 300 | B56 | 2 | | Deciduous | Small (up to 6m) |

Metasequoia glyptostroboides

Deciduous. A neat narrow deciduous conical tree with bright green, feathery leaves turning gold in autumn. Produces brown round cones. 15' in 10 years. Hardy.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|--------------------|
| 42800 | Fth | 500-600 45-50 | 1200 | L30 | 1 | | Deciduous | Very Large (20m +) |
| 159900 | Fth | 500-600 45-50 | 1200 | L30 | 2 | | Deciduous | Very Large (20m +) |
| 159899 | Fth | 800-900 45-50 | 1000 | L30 | 4 | | Deciduous | Very Large (20m +) |

Parrotia persica

Deciduous. A small tree of widespreading habit. Bark of older stems flake. Leaves turn crimson and gold in autumn. Clusters of crimson stamens appear in early spring. Fine autumn colour, even on chalk.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|------------------|
| 159011 | MS | 250-300 | 250 | B09 | 1 | | Deciduous | Medium (6-12m) |
| 159040 | MS | 450-500 | 300 | L04 | 2 | | Deciduous | Medium (6-12m) |
| 156407 | MS | 600-700 | 1800 | S | 1 | | Deciduous | Medium (6-12m) |

Photinia x fraseri 'Red Robin'

Evergreen. Large vigorous evergreen shrub with dark glossy green leaves and brilliant red young growths. Makes an excellent hedge. Very hardy.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|------------------|
| 159302 | Fth | 350-400 | | N65 | 10 | | Evergreen | Small (up to 6m) |
| 157288 | MS | 350-400 | 900 | J01 | 1 | | Evergreen | Small (up to 6m) |
| 157865 | MS | 350-400 | 600c | J09 | 2 | | Evergreen | Small (up to 6m) |

Picea abies

Evergreen. Traditional Christmas tree growing to 35-55 m tall and with a trunk diameter of up to 1-1.5 m.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|--------------------|
| 158655 | Fth | 350-400 | 700 | K05 | 1 | | Evergreen | Very Large (20m +) |
| 159721 | Fth | 400-450 | 450c | K21 | 2 | | Evergreen | Very Large (20m +) |
| 158654 | Fth | 450-500 | 700 | K05 | 1 | | Evergreen | Very Large (20m +) |

Picea omorika

Evergreen. Bright, purplish red flowers followed by purple cones turning brown. Decorative shape due to slender, straight trunk and lower branches that bend greatly with ends that grow sharply upwards.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|------------------|
| 157495 | Fth | 350-400 | 500 | K05 | 1 | | Evergreen | Large (12-20m) |

Picea pungens 'Hoopsii'

Evergreen. An excellent small to medium-sized tree of densely conical habit, with vividly glaucous blue leaves.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|------------------|
| 159189 | Fth | 175-200 | 155c | K15 | 2 | | Evergreen | Medium (6-12m) |

Picea pungens 'Koster'

Evergreen. A small to medium-sized tree of densely conical habit, with intense silver-blue leaves.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|------------------|
| 159864 | Fth | 300-350 | 500 | K06 | 2 | | Evergreen | Medium (6-12m) |

Pinus nigra ssp. nigra

Evergreen. Picturesque, irregular growth. Heat, drought and salt tolerant. A rounded conifer with rigid dark green needle-like leaves. Produces yellow-brown cones. 10' in 10 years. Hardy.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|--------------------|
| 159127 | Fth | 150-175 | 120 | M09 | 12 | | Evergreen | Very Large (20m +) |
| 159128 | Fth | 175-200 | 120 | M08 | 6 | | Evergreen | Very Large (20m +) |
| 158716 | Fth | 300-350 | 800 | K18 | 2 | | Evergreen | Very Large (20m +) |
| 159226 | Fth | 400-450 | 1500 | M09 | 1 | | Evergreen | Very Large (20m +) |
| 158715 | Fth | 450-500 | 700 | K13 | 4 | | Evergreen | Very Large (20m +) |
| 159227 | Fth | 500-600 | 1300 | M01 | 2 | | Evergreen | Very Large (20m +) |

Pinus strobus

A large tree, conical habit when young, later developing a rounded head. Fast growing.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|--------------------|
| 160047 | Fth | 500-600 | 500 | K23 | 6 | | Evergreen | Very Large (20m +) |

Pinus sylvestris

Evergreen. Good landscape form. Yellow green in winter. A tall conical to columnar conifer with blue-green, twisted needle-like, leaves. Produces green cones ripening brown. 12' in 10 years. Evergreen. Hardy. Requires sun. Tolerates poor, dry sites.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|--------------------|
| 159937 | Fth | 250-300 | 200 | M09 | 1 | | Evergreen | Very Large (20m +) |
| 154361 | Fth | 350-400 | 800 | K23 | 1 | | Evergreen | Very Large (20m +) |
| 159015 | Fth | 350-400 | 800 | K10 | 7 | | Evergreen | Very Large (20m +) |
| 160027 | Fth | 350-400 | 500 | K12 | 1 | | Evergreen | Very Large (20m +) |
| 158713 | Fth | 400-450 | 400 | K11 | 3 | | Evergreen | Very Large (20m +) |

Pinus wallichiana

Evergreen. An elegant, large, broad-headed tree, retaining its lowest branches when isolated. Leaves blue-green, slender and drooping with age. Moderately lime-tolerant but not recommended for shallow chalk.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|--------------------|
| 159865 | Fth | 300-350 | | K07 | 3 | | Evergreen | Very Large (20m +) |

Populus nigra 'Italica'

A very narrow columnar tree with an extremely fast growth rate Mature height 60-90'.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|------------------|
| 159655 | Fth | 45-50 | 600 | H05 | 2 | | Deciduous | Large (12-20m) |
| 155127 | Fth | 50-55 | 900 | H08 | 4 | | Deciduous | Large (12-20m) |

Prunus 'Accolade'

Deciduous. A small upright, spreading tree with pretty semi-double pale pink flowers opening from dark pink buds in early spring. Flowers from March to April. (Prunus sargentii x Prunus x subhirtella)

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|------------------|
| 159058 | MS | 300-350 | 500 | L13 | 1 | | Deciduous | Small (up to 6m) |

Prunus 'Amanogawa'

Deciduous. Small, columnar tree with erect branches and dense, upright clusters of fragrant, semi-double, shell-pink flowers.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|------------------|
| 159481 | Fth | 500-600 25-30 | 250 | C05 | 1 | | Deciduous | Small (up to 6m) |

Prunus cerasifera Nigra

Deciduous. Leaves and stems blackish-purple; flowers very prolific, pink fading to blush. A very effective, small tree flowering in March and April.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|------------------|
| 160040 | MS | 400-450 | | | 4 | Jun-12 | Deciduous | Small (up to 6m) |

Prunus laurocerasus Caucasica

Evergreen. A vigorous, upright form with rather narrow leaves. Harmful if eaten.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|------------------|
| 156505 | Fth | 350-400 | 80 | J06 | 1 | | Evergreen | Small (up to 6m) |

Prunus lusitanica

Evergreen. Large shrub, oval dark green leaves. Small white flowers/long racemes in June. Small red fruits turning dark purple. Good in chalk soil. Harmful if eaten. Hardy to -5c, but has withstood recent cold winters very well.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|------------------|
| 159722 | Fth | 125-150 | 90c | N49 | 15 | | Evergreen | Large (12-20m) |

Prunus 'Royal Burgundy'

Deciduous. Purple leaves during the spring and summer. Double, shell pink coloured flowers in the spring. Best in full sun and does well in most types of soil. Fully hardy.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|------------------|
| 159851 | MS | 350-400 | 250 | G02 | 2 | | Deciduous | Medium (6-12m) |

Prunus sargentii 'Rancho'

Deciduous. Narrowly upright. Bark is dark chestnut-brown. Young foliage bronze-red. Flowers are dark pink. Early autumn colours of orange and crimson.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|------------------|
| 158173 | MS | 400-500 | 600 | Recp | 2 | | Deciduous | Medium (6-12m) |

Prunus serrula

Deciduous. A small, but vigorous tree whose new bark glistens with a polished red-brown. Leaves narrow, willow-like. Flowers are small and white, appearing in late April.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|------------------|
| 10129 | MS | 200-250 | 800 | G01 | 2 | | Deciduous | Medium (6-12m) |
| 10151 | MS | 250-300 | 800 | G01 | 1 | | Deciduous | Medium (6-12m) |
| 159766 | MS | 250-300 | | B04 | 2 | Aug-12 | Deciduous | Medium (6-12m) |
| 10172 | MS | 300-350 | 800 | G01 | 1 | | Deciduous | Medium (6-12m) |
| 157727 | MS | 400-450 | 1100 | L14 | 1 | | Deciduous | Medium (6-12m) |

Prunus 'Shirofugen'

Deciduous. A spreading tree up to 10m. Flowers large, double, dull pink in bud, opening white, then fading to purplish-pink, produced in clusters and contrasting superbly with the copper-coloured young leaves.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|------------------|
| 157227 | MS | 450-500 | 1200 | S | 1 | | Deciduous | Medium (6-12m) |

Prunus 'Shirotae'

Deciduous. Small, vigorous with widespreading horizontal or slightly drooping branches, often reaching to the ground. Large, single or semi-double white flowers are fragrant. Leaves are distinctively fringed.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|------------------|
| 157721 | MS | 300-350 | 400 | L06 | 1 | | Deciduous | Medium (6-12m) |
| 159060 | MS | 300-350 | 400 | L18 | 2 | | Deciduous | Medium (6-12m) |

Pseudotsuga douglasii

Evergreen. Fast growing, can remain smaller if cultivated. Top branches grow vertically/lower branches down. Bark is corky with deep grooves. Long reddish brown cones. Survives periods of drought.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|--------------------|
| 158691 | Fth | 600-700 | 1000 | K05 | 1 | | Evergreen | Very Large (20m +) |

Quercus castaneifolia

A fast growing deciduous tree with rough corky brown bark. Long oblong, dark green leaves with triangular toothed edges. grows upto 25m (80ft)

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|--------------------|
| 153363 | Fth | 600-700 | 500 | H06 | 3 | | Deciduous | Very Large (20m +) |

Quercus coccinea

A medium size tree reaching up to 80 feet tall with an irregular crown.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|--------------------|
| 158876 | Fth | 400-450 | 250 | H01 | 1 | | Deciduous | Very Large (20m +) |

Quercus ilex

Evergreen. A large tree with attractive, corrugated bark and a rounded head of branches. Leaves are completely green. Thrives in all well-drained soils. Responds well to clipping and tolerates shade. 5m tall at 10 years.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|------------------|
| 157243 | Fth | 150-175 | 30c | K24 | 1 | | Evergreen | Large (12-20m) |
| 158561 | Fth | 250-300 | 50c | K24 | 1 | | Evergreen | Large (12-20m) |
| 158562 | Fth | 250-300 | 70c | K24 | 1 | | Evergreen | Large (12-20m) |
| 159893 | Fth | 350-400 | 300 | K24 | 1 | | Evergreen | Large (12-20m) |
| 159874 | Fth | 500-600 | 600 | K17 | 1 | | Evergreen | Large (12-20m) |
| 159673 | Fth | 500-600 | 600 | K18 | 3 | | Evergreen | Large (12-20m) |

Quercus kewensis

Evergreen. A small to medium-sized, vigorous tree, with a dense, compact head and almost persistent, small, dark green, angularly lobed leaves. Acorns rarely produced. Raised at Kew in 1914.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|------------------|
| 152021 | Fth | 400-450 | 300 | K24 | 1 | | Evergreen | Small (up to 6m) |

Quercus mauri

This narrow pyramidal tree will get to a height of 20-25m and 5-7m wide. 'Mauri' is cross between Q. rubra and Q. Paulustris. depending on the amount of sun and the temp., the tree turns scarlet red in the autumn.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|--------------------|
| 153367 | Fth | 700-800 40-45 | 1000 | H04 | 1 | | Deciduous | Very Large (20m +) |

Quercus palustris 'Fastigiata'

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|--------------------|
| 158622 | Fth | 350-400 10-12 | 80 | H10 | 3 | | Deciduous | Very Large (20m +) |

Quercus robur 'Fastigiata Koster'

Deciduous. The large native tree. An upright tree with fissured grey-brown bark and dark green leaves. Produces acorns. Flowers from May to June. Hardy. Best on heavy soils. 10m tall at 10 years.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|------------------|
| 157407 | Fth | 400-450 | 120 | H09 | 4 | | Deciduous | Large (12-20m) |
| 159537 | Fth | 400-450 14-16 | 120 | H09 | 1 | | Deciduous | Large (12-20m) |
| 159532 | Fth | 25-30 | 250 | H01 | 1 | | Deciduous | Large (12-20m) |

Quercus rubra

Deciduous. Larger leaves than English Oak, turning rich red in autumn. Best in lime free soils. Good city tree. Fast growing when young. 12m tall at 10 years.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|--------------------|
| 153418 | MS | 700-800 | 2800 | L27 | 1 | | Deciduous | Very Large (20m +) |

Quercus suber

Evergreen. A short-stemmed, wide-spreading tree of medium size. Very frost-resistant. Cork is made from its bark.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|------------------|
| 155351 | MS | 500-600 | 1000c | A05 | 1 | | Evergreen | Medium (6-12m) |
| 159971 | MS | 500-600 | 1200 | K End | 1 | | Evergreen | Medium (6-12m) |

Rhus typhina

Deciduous. A widespreading, sparsely branched, small tree particularly noticeable in winter. The large, pinnate leaves turn rich orange, yellow, red or purple in autumn.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|------------------|
| 158664 | MS | 300-350 | 300 | B32 | 2 | | Deciduous | Small (up to 6m) |
| 158665 | MS | 350-400 | 800 | B29 | 2 | | Deciduous | Small (up to 6m) |

Sequoiadendron giganteum

Evergreen. Attains a very large size. 18' in 10 years. Deeply furrowed, reddish-brown outer bark. Leaves are awl-shaped, 6-12mm long.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|--------------------|
| 159316 | Fth | 200-250 | 90c | K15 | 1 | | Evergreen | Very Large (20m +) |

Sequoia sempervirens

Evergreen. Columnar-conical tree with downcurved branches, thick, fissured, soft, red-brown bark. Leaves are hard, sharp-pointed, deep green. Wood is inflammable.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|--------------------|
| 158807 | Fth | 500-600 | 700 | K24 | 1 | | Evergreen | Very Large (20m +) |
| 159875 | Fth | 900-1000 | 1500 | K18 | 1 | | Evergreen | Very Large (20m +) |

Sorbus intermedia

Deciduous. A small to medium-sized tree with a dense, head of ascending branches, making an oval crown. Dark green coarsely toothed leaves. Orange-red fruits, in bunches.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|------------------|
| 159958 | MS | 300-350 | 250 | E04 | 1 | | Deciduous | Medium (6-12m) |

Taxus baccata

Evergreen. A broadly conical evergreen conifer with narrow dark green leaves. Bright red berries. 6' in 10 years. Hardy. Lives to be over 1000 years old. CAUTION toxic if eaten

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|---------|-------|--------------------------------|----------------|----------|--------------|-------------------|---------------------|------------------|
| 159921 | Fth | 125-150 | 150 | H23 | 5 | | Evergreen | Large (12-20m) |
| 152854 | Fth | 150-175 | 150 | H14 | 5 | | Evergreen | Large (12-20m) |
| 159919 | Fth | 150-175 | 120 | H14 | 1 | | Evergreen | Large (12-20m) |
| 158913 | Fth | 175-200 | 150 | H23 | 47 | | Evergreen | Large (12-20m) |
| 152473 | Fth | 200-250 | 150 | H14 | 3 | | Evergreen | Large (12-20m) |
| 155348 | MS | 300 | 400 | J02 | 1 | | Evergreen | Large (12-20m) |

Taxus baccata 'Fastigiata Aurea'

Evergreen. A female clone of erect habit, form a dense, compact, broad column of closely packed branches. Young foliage is deep yellow. CAUTION toxic if eaten

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|----------------|--------------|--|------------------------|-----------------|----------------------|---------------------------|-----------------------------|-------------------------|
| 158957 | Fth | 180-200 | 120 | L06 | 2 | | Evergreen | Medium (6-12m) |

Taxus baccata 'Fastigiata Robusta'

Evergreen. A coniferous tree that forms a very slow growing, dense, broad column with a multi-pointed crown. It has deep green needles and small red cones in autumn. Toxic if eaten.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|----------------|--------------|--|------------------------|-----------------|----------------------|---------------------------|-----------------------------|-------------------------|
| 158958 | Fth | 225-250 | 150 | L06 | 3 | | Evergreen | Medium (6-12m) |

Taxus media 'Hicksii'

Evergreen. An excellent dense form with columnar habit which makes a superb hedge and grows faster than the English Yew when young. Average growth per year 15-25cm. CAUTION toxic if eaten

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|----------------|--------------|--|------------------------|-----------------|----------------------|---------------------------|-----------------------------|-------------------------|
| 151139 | Fth | 175-200 | 300 | Q Hill | 9 | | Evergreen | Small (up to 6m) |
| 160053 | Fth | 175-200 | 150 | H14 | 1 | | Evergreen | Small (up to 6m) |
| 160054 | Fth | 175-200 | 150 | H14 | 2 | | Evergreen | Small (up to 6m) |

Thuja occidentalis

Evergreen. Extremely hardy, medium-sized columnar tree. Branches spreading, upcurved at tips. Reddish-brown, peeling bark.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|----------------|--------------|--|------------------------|-----------------|----------------------|---------------------------|-----------------------------|-------------------------|
| 156594 | Fth | 250-300 | 200 | N59 | 9 | | Evergreen | Large (12-20m) |
| 156595 | Fth | 300-350 | 400 | Q26 | 1 | | Evergreen | Large (12-20m) |
| 156596 | Fth | 350-400 | 500 | Q26 | 3 | | Evergreen | Large (12-20m) |

Thuja plicata 'Atrovirens'

Evergreen. A fast growing ornamental tree with shedding bark and spreading branches. Makes a splendid hedge. Very dark green leaves. Tolerant of chalk.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|----------------|--------------|--|------------------------|-----------------|----------------------|---------------------------|-----------------------------|-------------------------|
| 157803 | Fth | 200-225 | 150 | N47 | 1 | | Evergreen | Large (12-20m) |
| 157515 | Fth | 250-300 | 100 | N47 | 5 | | Evergreen | Large (12-20m) |

Thuja plicata 'Excelsa'

Evergreen. A fast growing ornamental tree with shedding bark and spreading branches. Makes a splendid hedge. Tolerant of chalk.

| Batch # | Shape | Size in cm (height) (girth) | Pot Size(L) | Location | Qty Avail | Available From | Leaf Persistence | Size at Maturity |
|----------------|--------------|--|------------------------|-----------------|----------------------|---------------------------|-----------------------------|-------------------------|
| 159872 | Fth | 100-120 | 5000 | K15 | 1 | | Evergreen | Large (12-20m) |

Tsuga canadensis

Evergreen. A large tree, often with several main stems from near the base. The best species for limy soil. Extremely elegant with a broadly conical habit and spreading branches that gently droop.
